

Your Ideal Writing Spot!

Many Irish writers went to Coole Park to find a nice spot to write and to get ideas for their stories. They got ideas from the beautiful flowers, the trees and the lake. Can you think of places that might help you to write your stories? Perhaps a trip to the beach or an adventure in the woods might give you ideas for stories. Maybe you have a favourite spot in your own home or garden that sparks your imagination. Your ideal writing spot might even be somewhere really exciting – like on the moon!
