How's Life by Nina Mitrović
Directed by Garry Hynes
Thursday 2 July, 7.30pm

Set in a care home, *How's life* is a story of love and friendship, fears and regrets, life and death. Four people fight loneliness. They try to connect. And in doing so they ask how's life? Are you living it or have you already given up?

This summer, Druid Debuts, the company's annual rehearsed reading series, will be a live online experience featuring four new plays running every Thursday 2 - 23 July 2020.
